    <title>Church at night</title>
    <description>Find the moment when u1 was in the church at
night.</description>
    <narrative>To be relevant, the moment must show u1 is
currently inside the church, attending a praying rite with other
people at night. The moments that u1 is outside with the church
visible or inside the church but is not attending the praying rite
are not considered relevant.</narrative>

    <title>Lifelog data on touchscreen on the wall</title>
    <description>Find the moment when u1 was looking at
lifelog data on a large touchscreen on the wall.</description>
    <narrative>To be relevant, the moment must show u1 is
looking at his lifelog data on the touchscreen wall. The touchscreen
wall showed a range of colorful images at that time. The moments that
u1 is looking at the touchscreen on the wall but it did not show
colorful lifelog images are not considered relevant.</narrative>

  <title>Bus at the airport</title>
  <description>Find the moment when u1 was getting on a bus
at the airport to travel to or from the airplanes.</description>
  <narrative>To be relevant, u1 was walking to the bus in
the airport after the airplane had just arrived or u1 was walking to
the bus transporting passengers to the airplane. There would be many
airplanes visible in the image. Other moments without the bus visible
or the bus travelling to another place outside the airport are not
considered relevant.</narrative>

  <title>Medicine cabinet</title>
  <description>Find the moment when u1 was looking at the
medicine cabinet in the bathroom at home.</description>
  <narrative>To be considered relevant, u1 must be at home,
looking at the medicine cabinet beside the mirror in the bathroom.
The moments that u1 was looking inside the medicine cabinet or the
medicine cabinet was visible in the image are also considered
relevant. The moments that u1 was looking at the medicine cabinet in
other places - not at home and not in the bathroom - are not
considered to be relevant.</narrative>
